

REMARKS

Reconsideration is requested.

Claims 6 and 28 have been amended to merely correct typographical errors. No new matter has been added.

The Examiner is alleging distinction between the subject matter of Group I directed to claims 1-16 and 24-38, drawn to a valve system, Group II directed to claims 17-19 and 39-41, drawn to a temperature sensor, and Group III directed to claims 20-23 and 42-45, drawn to a pressure sensor.

Applicants hereby elect Group I (Claims 1-16 and 24-38) for prosecution on the merits.

Applicant reserves the right to file divisional applications directed to the subject matter of the non-elected claims, namely claims 17-23 and 39-45.

The undersigned is available for telephone consultation at any time if such would facilitate prosecution of this application.

Respectfully submitted,

Dated: April 6, 2006
